

# Project 19 – Online Data Reporting

Overview – Wales Coastal Monitoring Centre (WCMC) employees were tasked with creating an interactive dashboard for coastal survey data we collect as part of our phase plan. We worked with the Office for National Statistics through their Data Visualisation Accelerator Programme to create a prototype.

Aims Objectives – Create a dashboard of understandable and readily accessible coastal monitoring data.

## Who/Collaboration

- Office for National Statistics Data Science Academy
- Wales Coastal Monitoring Centre
- Public Health Intelligence Specialist – Brighton and Hove City Council

Results – WCMC staff worked with the mentor to produce a prototype data platform which became the basis for the WCMC Data Platform.
